**EARTHUCATION: enough for all**

Il progetto Erasmus+ KA2 "Earthucation: enough for all!?" è iniziato lo scorso A.S. con 3 scuole europee (Germania-Lettonia-Grecia) e coinvolge in prima persona 19 studenti e 4 insegnanti del Mantegna. Si affronteranno vari aspetti legati all'ambiente: sostenibilità, sufficienza, "mindfulness", fonti rinnovabili, trasporti alternativi, ecosistemi, impronta ecologica, gestione sostenibile dell'acqua etc. A partire da questo A.S. fino al 2023 gli studenti, accompagnati dagli insegnanti, visiteranno le diverse scuole europee. Il tutto con finanziamento europeo!
