«Il compito del maestro sarà dunque di preparare una serie di spunti e incentivi all'attività culturale, distribuiti in un ambiente espressamente preparato, per poi astenersi da ogni intervento troppo diretto e invadente. **I maestri umani non possono fare altro che aiutare la grande opera mentre si compie sotto i loro occhi, come i servi aiutano il padrone.** »

Maria Montessori

«The task of the teacher becomes that of preparing a series of motives of cultural activity, spread over a specially prepared environment, and then refraining from obtrusive interference. **Human teachers can only help the great work that is being done, as servants help the master.** »

Maria Montessori
